# **2016 ANNUAL REPORT**

2016 was a year of re-focusing, growth, and new collaborations. We had a robust workshop curriculum and relevant and timely info sessions.

We began a growing collaboration with the Placer Community Foundation and continue to support the Nevada County Community Leadership Institute (NCCLI). For the third year, we promoted our members, as well as advocated for the local nonprofit sector around #GivingTuesday.

86 member organizations

31 individual members

5 Workshops

4 Info Sessions

228 attendees

77 organizations represented

7 organizations served by our Coaching & Consulting Network

CNL has been an integral part of the success of InConcert Sierra. We started with CNL from the very beginning and can confidently state that we would not be where we are today without the workshops and informative presentations they provide. Being a member of and partaking in the many programs presented by CNL is not only preserving an important asset of our community, but it will save non-profit organizations precious time, dollars and resources.

Julie Hardin, Executive Director InConcert Sierra
