

The Opportunity

NCCLI brings together community leaders providing an atmosphere of collaboration, appreciation, and opportunities to connect with people our otherwise busy lives may not have allowed time for.

Local professionals from a variety of sectors speak at each session providing an inside look at current opportunities, issues and best practices.

As leaders we are all required to embrace change, be flexible, resilient, and open to new possibilities to do our best work.

Each session is designed to provide opportunities to collaborate and connect with each other while growing in awareness and knowledge of issues and sectors in our community.

Who is the program for?

A screening committee will select a maximum of 28 applicants who are:

- ★ Current or prospective leaders in their employment and/or volunteer organization;
- ★ Newcomers seeking rapid integration into the community;
- ★ Strongly interested in, and committed to, local involvement;
- ★ Planning to remain active in business and community activities within Nevada County;
- ★ **Able to commit the time required for the program.**

Application Deadline

August 9, 2024

Community Partner Organizations include;
Center for Nonprofit Leadership (CNL), County of Nevada, Sierra College in Nevada County, and Sierra Nevada Memorial Hospital Foundation.

The Investment

Tuition for the Nevada County Community Leadership Institute is **\$750**.

Tuition for accepted program participants is due by September 6th.

Partial scholarships may be available.

The time commitment is reasonable - only one day a month for nine months and the cost is much less than what you might pay for a university class or professional workshop. The return on these investments has been tremendous for both alumni and the community
